GAMES AND SPORTS COUNCIL, IIT KANPUR

FACILITY COORDINATOR POSTS &EQUIPMENT ISSUE SCHEME

WHAT?

- The Games & Sports Council has started providing equipment to all the students at the sports facilities this year. The equipment was issued against their instituteI cards.
- This initiative received a very good feedback as it removed a huge barrier for the campus community to indulge in sports.
- We plan to continue this but there is a need to streamline this activity.
- For that we propose the following,

  a) Creation of the following posts:
     1) New Sports Complex Coordinator
     2) Old Sports Complex Coordinator
     3) Tennis & Swimming Pool Coordinator

  b) A procedure to make the student issuing the equipment liable for its damage

WHY?

- The basic responsibility of the coordinator will be to act as mediator between the General Secretary & these facility users.At present there is no proper channel for effective communication between the general secretary & the facility users.
- The student issuing the equipment was not responsible for its damage & this was thus leading to misuse of the equipment as there was no accountability on the user.

HOW?

- As the sports facilities are under SPEC, their permission has to be sought for creation of these posts. Also, the interview panel must consist of:
  a) SPEC Chairman or his/her nominee
  b) General Secretary, Games & Sports Council
- The following procedure is being proposed:

Facility Name	**Equipment**	**Fine (as % of Purchase price)**
New Sports Complex	Badminton& Squash Rackets, TT Bats	50% for damage & 100 % for losing
	Squash Balls, TT Balls & Badminton Shuttles	100 % for losing
	Non Marking Shoes	100 % for losing
Old Sports Complex	Badminton Rackets	50% for irreparable damage & 100 % for losing

	Badminton Shuttles	100 % for losing
	Non Marking Shoes	100 % for losing
Tennis Court	Tennis Rackets	50% for irreparable damage & 100 % for losing
	Tennis Balls	100 % for losing
	Non Marking Shoes	100% for losing

- Permission from DOSA Sir has to be sought for adding them to a student's gymkhana dues
- Purchase price of all the items will be mentioned at the front page of the register used for issuing equipment.
- A monthly list of such students will be sent to the DOSA office from the office of General Secretary, Games & Sports Council
- A notice about this rule will be put in all the facilities before the equipment is issued
