Crunch release for First year Mtech students in hall 10 and 11.

Inter hall shifting was carried out for first year Mtech students between hall 3, hall 4, hall 7, hall 8, hall 10 and hall 11 to release the crunch for Mtech students residing in double rooms based on number of rooms available.

Intra hall shifting was carried out in hall 10 and hall 11 to further aid the process.

I thank the respective HECs of all the halls for the smooth conduction of the same.
