

Awareness regarding Health Insurance Policy

Proposed by- Ms Aayushi Bansal
President's nominee to HCUC

Recently implemented health insurance policy has a major impact on all of us. It has come to our notice that many students are completely unaware of the process as to how to make use of the policy and of the benefits they can reap out of this.

Apart from this, some of us have already made use of the policy and have different feedback which would help to improve the same.

It is proposed that an awareness session be conducted in all halls to increase the reach and collect important feedback on Health Insurance Policy.
