

Centralised Review of Canteens in all Halls of Residence

Proposed by: Aayushi Bansal, Convener, CoSHA

As it has been brought to my notice, current system of working in many canteens is not upto the mark. There is a need to review canteens in all the halls.

The proposed solution is circulating a canteen review form in all the halls via CoSHA.

The convener would compile the reviews and present it to estate office once all are received.

The link to the form is :

Suggestions would be highly appreciated if any member wants any particular point to be included/excluded from the form.
