

## Collection drive of books from UG halls

Proposed by- Mr Roshan Kumar  
President, Hall 2  
Ms Aayushi Bansal  
Convener, CoSHA

First year UG male students reside in a separate hall, Hall-13 from this year onwards.

This severely affects their accessibility of senior guidance both in terms of physical resources and guidance, in general.

It is proposed that collection drive for books be initiated in all UG halls (including hall 6). Cartons will be kept in all UG halls, where students can give away their books, notes etc whichever they may find useful for first year students. A book issue system will be installed in hall 13 in their reading rooms to make a systematic use of the collected items.
