The President requested to COSHA convener to take up the issue with the Hall HECs for their consent. In OAT a telephone line is to be provided for Cashless Transaction.

In **ATR No. 21**, the idea of having single design team was dropped after receiving inputs from the festival team. The major reasons were that the team would be heavily loaded throughout the year and practically it would be difficult for a single team to coordinate with all the festival teams.

In **ATR No. 22**, EVM fact finding Committee: The report of the committee is accepted by the Students' Senate. The committee is not dissolved and will look into this matter further if any issue arises regarding EVM's in future.

If such an event is desired to be organized, its authenticity should be judged by the General Secretary, Cultural Council. A proper procedure should be followed. Auditions should be taken as done by other clubs and practices should take place in NEW SAC with students of every hall participating in it.

The following were suggestions made to the incoming General Secretary:

1. Generally sound system is put up by Vishal. But this time a new vendor was contacted He proved to be good enough. The sound quality of his system was very bad. It was recommended that Music Club coordinators should be contacted first for choosing a vendor for sound system.
