---

Hi Samyak,

In my opinion, these are the points regarding NRAT which need to be raised in COSHA floor, are as follows:

- 1.Single seater room for every 2nd year and 3rd year (i.e. Y14 AND Y13) girls PhD students.
- 2.Separate identity of NRAT as a PG girls hostel which includes separate Warden-in-Charge, separate HEC members, provision of all the facilities as a hostel like reading room, common room, computer room, gymnasium/ indoor sports room, canteen etc. This solution will solve the other problems as well like mess issues due to combined UG-PG mess.
3. Ventilation problems.
4. Seepage problems.
5. Security issues.
6. Hall caution money hike.

With Regards,  
Madhusree Sarkar  
President, NRAT
