## INITIATIVES

### KANPUR MARATHON

A grand level Marathon was organized in Kanpur with about 5000 participants. This not only shows the efforts Udghosh is making to make the city develop but also shows the huge number of support that participants showed to run for the sake of a clean city. With the theme of '**Swachh Bharat**' Udghosh claims it's proud effort to create an event like Marathon which was successful enough to spread the awareness towards a cleaner future. This run was not just only a run to participate in the event for free prizes but a run to prove the zeal of making Kanpur one of the best.

### CYCLOTHON

Udghosh in its part understands its role to develop the society and hence is putting all the efforts into it for the same cause. It has organized a number of events and competition to establish its concern with the development of society and accomplish social and physical goals.

### UDAAN: SPORTS FOR DIFFERENTLY ABLED

This year Udghosh has strived to pledge for the society in all possible ways. A series of new events are being introduced which incorporates opportunities for differently abled participants to represent themselves as a part of the sports society. These new events include the competition for the following sports:

- Athletics
- Carom
- Chess
- Sports Quiz

### RECOMMENDATIONS

- 1- Udghosh'17 team believes that Friday should be a holiday as this would lead to smooth conduction by scheduling the IITK matches across three days instead of two.
- 2- Udghosh'17 team feels the need to have a separate team room which can be used for organizing meetings and storing the equipment.
- 3- Udghosh'17 team strongly recommends that at least a gap of a week should be kept between mid-sem examinations and festival as it helps to manage the last minute problems especially in hospitality arrangements.
- 4- Udghosh'18 is the 15<sup>th</sup> edition of sports festival so we request senate to support the coming edition financially.
- 5- It is suggested by the current team that Udghosh Core team interviews should get over by early November every year.
- 6- In Udghosh there is need for 2/3 Head Show Management as the number of sporting events has increased. Marathon, Shows etc. also demand too much resources and time.
- 7- The surplus budget of Udghosh'17 to be left for use by Udghosh'18.
