Major Highlights

- Many events for girls were organized, but there was near zero participation from girls. All the matches of Veeras of almost all sports were eventually given a walkover on Day 2 and Day 3 due to girl participants not turning up.
- Sports quiz was organized in OAT and had a great response. Around 150 teams registered for the prelims and top 5 were selected for the finals.
- FIFA was organized for the 1st time in Fresher's Inferno and was a successful event. One match was even played on the OAT screen with all the pool freshers as the audience. The event witnessed huge cheering and enthusiasm.
- Poster making competition saw enthusiastic response with each pool registering almost 400 likes on their poster.

Recommendation

- Events for girls should be promoted. All events organized this year should be continued, and the Sports Secretary should be advised on ensuring participation, as this year year there was a terrible response from the girls pool.
