

Proposal for 'Student Association for Leadership and Development'

Aim: To increase the participation of youth in the socio-cultural, economic, political, legal and environmental issues, both national and international.

What we plan to do:

- Discussion on the various issues
 - A senate-like discussion on the agendas.
 - Panel discussions involving professors and students on internal and external issues.
 - Minutes to be noted in a public-friendly way and be posted on social media for everyone to see.
 - Suitable actions to be proposed by the group such as inviting dignitaries to clarify on certain issues.
 - A committee comprising of the President and Chairman, Student Gymkhana, a professor and some other respected students of IIT Kanpur to keep a check that the group does not get biased towards an ideology.
- An online journal/monthly newsletter having interviews with representatives/ bureaucracy/ professors/ environmentalists and discussions on the current issues.
- Enhancing the student participation in the social, political and administrative issues at IIT Kanpur as well, by focusing on the local issues.

Benefits to the Junta:

- Will increase their awareness towards the current issues.
- Will help in removing the 'chalta hai' attitude among the students.
- Will help them in presenting their arguments backed up with facts and reasoning.

Hierarchy:

- 3 coordinators
- 1 Speaker, 2 Editor, 2 Interviewer, 1 Web Head
- 4 Executives
