

Proposal for writing names of artists on displayed photos and pictures in New SAC

Proposed by : Simrat Singh (Senator, UG Y14)

Seconded by : Ayushya Agrawal (Senator, UG Y14)

The photos and paintings displayed in the New SAC are a wonderful testament to the talent of the students of IIT Kanpur. For anyone visiting the SAC for the first time, it creates a lasting impression. But without the name of the artist being present, it lacks the touch of authenticity. Moreover, the person deserves recognition and praise. So, in light of the need, I propose the following,

Proposal :

The name of the artists who can be traced should be displayed along with their artworks. This is subject to the consent of the said person, in case somebody wishes to remain anonymous.
