

Students' Gymkhana General Election '16

ROBINSON GURIA

Contesting for the post of
General Secretary
Games & Sports

Proposed by:-

MAITREY VERMA
KRISHNENDU MAKHAL

Seconded by:-

MAINAK MAJUMDAR
AISHWARYA RAI
NICKU NITISH
VAIBHAV YADAV
MITHUN KRISHNAN K V

POSITION OF RESPONSIBILITY

- **Acting General Secretary**, Games and Sports Council. **7th – 20th July 2015**
6th – 9th August 2015
- **Deputy Contingent Leader**, Games and Sports Council. **2015**
- **Captain**, Institute Weightlifting Team, IIT Kanpur. **2014**
- **Event Coordinator**, Cricket- UDGHOSH'13. **2013**

SPORTS ACHIEVEMENTS

- Led the Institute Weightlifting team to runners up at the **50th Inter IIT Sports Meet 2014 (SILVER MEDAL)**.
- **SILVER** -Weightlifting, **50th Inter IIT Sports Meet 2014**
- **GOLD** -Weightlifting, **SPARDHA 2015 (Sports Festival, IIT BHU)**.
- **SILVER** – Weightlifting, District Weightlifting Championship 2014.
- **BRONZE** – Weightlifting, District Weightlifting Championship 2013.
- **BRONZE** – Powerlifting, **UDGHOSH '13**.
- **GOLD** – Weightlifting, **UDGHOSH '14**
- **BRONZE**- Powerlifting, **UDGHOSH '14**

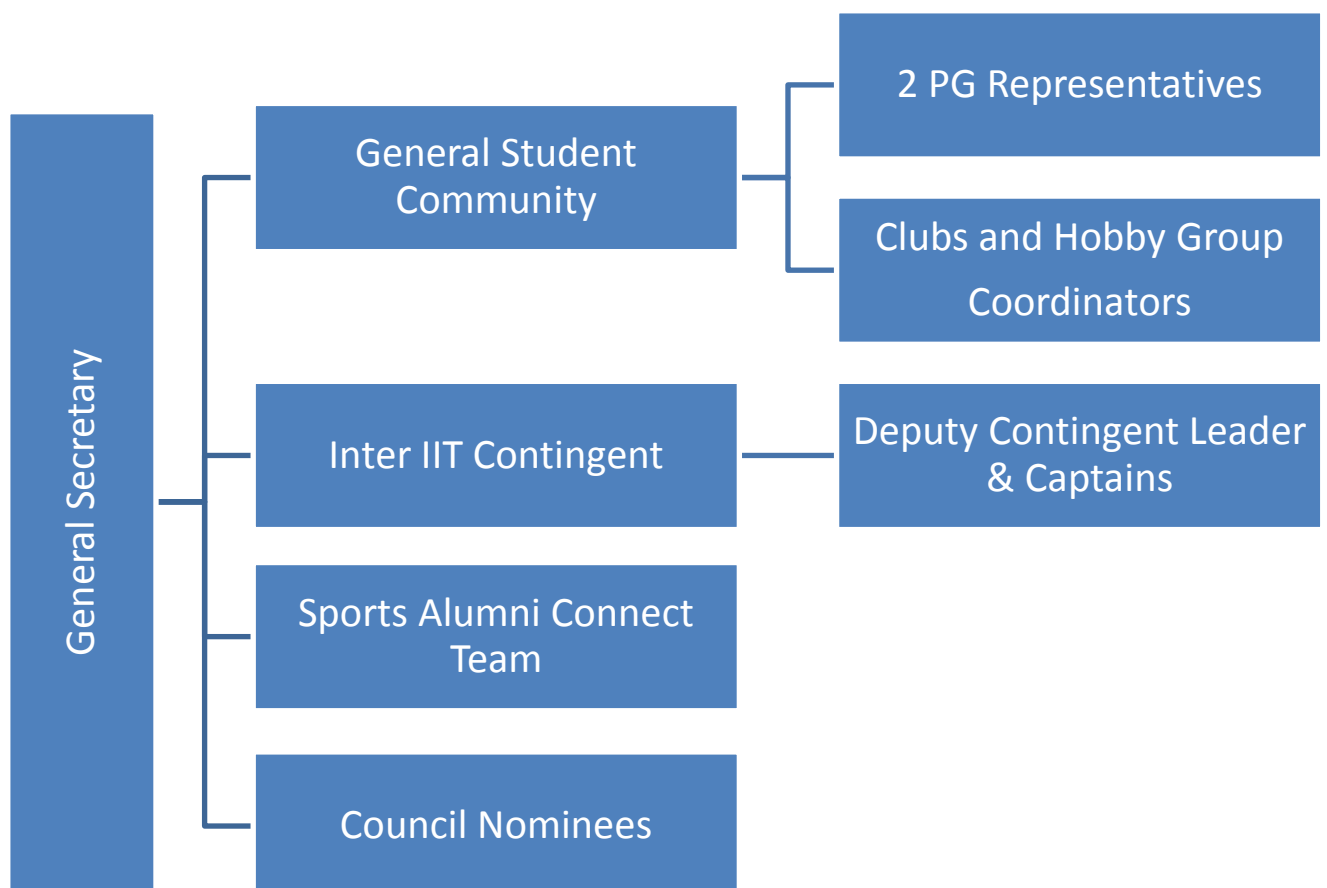

MISSION AND VISION

My vision is to create an atmosphere where everyone has the opportunity to pursue their interests in the games/sports that they want. The purpose of sports in an institution like IIT is to develop an all-round person; to enhance one's personality. I would like to create a culture where every student is out of his room between five and seven in the evening. I'll take sports culture in the campus to the zenith so that sports become part of each resident's life as a passion, fitness or even as a fun element.

My mission as a Contingent Leader will be to continue the legacy that we have been achieving for past two years. I will work for the betterment of contingent that in return will bring more championship tags to our institute.

COUNCIL STRUCTURE

INFRASTRUCTURAL DEVELOPMENTS

Increase in lanes of Swimming Pool

Large number of campus junta is interested in using swimming pool facilities. But due to **limited capacity** many are unable to avail the facility. Currently our swimming pool has 8 lanes. I'd put forward a proposal in SMC to make it 10 lane. This will solve the problem of accommodation and will be a great asset in conduction of Inter IIT Aquatics Meet at IIT Kanpur.

Developments in Main Ground

The institute main ground is extensively used by various sports teams, clubs and other campus junta as well. Catering to their needs, I'd propose for the **increase in lighting facility in the main ground** to ensure that it remains adequately lit during the evening hours.

Currently there is only three practice pitch; the cricket CPA students are not able to use the facilities to greater extent. I'd put forward the proposal of a **cemented pitch with increased lighting dedicated only for the new CPA students**.

Gym Extension-Old Sports Complex

The Weightlifting hall in Old Sports Complex is not that spacious. A proposal for construction of new Weightlifting hall has already been put up for more than a year. I would see to it that the proposal comes into picture at its earliest. This will result in **extension of gym in the Old Sports Complex**. I'll push for increase in dumbbells and training weights.

ACES Cricket Ground

Currently there is **no filtered drinking water facility and no proper washrooms** in the ACES cricket ground. I'd put forward a proposal to provide these minimum required facilities for the benefit of students as well as staff cricket team.

PLANS AND INITIATIVES

Improvisation of the CPA culture

- We are seeing the increase in the number of sports enthusiasts every year. Hence, I'd like to put forward the idea of **increasing the number of CPA seats for every sport.**
- I'll propose a **2nd CPA trial for games and sports at the beginning of 2nd semester.** The good ones will be given a fair chance to carry on with the second CPA and in future be a part of institute team.
- Owing to the popularity of cricket, I'll push for introduction of **Cricket Tournament in CPA Intramurals.**
- Considering the rising interest of the female junta in Squash, I'd propose the **introduction of Squash as CPA for girls as well.**
- Currently Intramurals winners are not properly recognized. I'll propose for a proper prize distribution ceremony to be conducted so that **new talents are given proper recognition.**
- Effective and timely feedback is crucial to monitor and enhance the performance of coaches as well as students. A proposal to **obtain CPA feedback at the end of the semester**, similar to that of course feedbacks shall be put forward.

Increase in PG involvement

- **PG Sports Week, "Enthusia"** shall be an important platform to discover new talent and encourage PG participation.
- The level of participation of PG students in different sport events is significantly low. To promote PG student enrollment in different teams, **Two PG representatives in the Games and Sports Council** would be nominated to serve as a direct connecting link between GnS Council and the PG student community.
- To promote PG involvement in our institute teams, a proposal for **"Best PG Sportsperson"** award would be put forward as an incentive for them to take part.

Udghosh

- Udghosh'15 saw an amazing uplift in terms of the level of festival and involvement of campus junta. The growth of udghosh has been nothing but extraordinary in the past few years and I aim to take it to newer heights in the upcoming version of Udghosh.
- My vision for the festival is to make it one of its kind inter-collegiate competition that every sports person aspires to be a part of.
- My mission would be to encourage and bolster the involvement of the campus junta with everyone getting an experience of the spirit of the festival

Inferno

- **Fresher's inferno** would also include **informal events** exclusively for the fresher's.
- Inferno always sees a massive turnout. I'd ensure **presence of the respective coaches** during the final matches for possible talent scouting.
- I'll continue with the current format. The winners would be rewarded with certificates and medals.

Josh

- Josh has been receiving immense response from the campus junta. I plan to include FIFA in challenging matches. I'll strive for greater participation of PG students.

Motivational Banners and Hall of Fame

- A proposal of putting up **motivational banners on sports complexes'** shall be put forward to make an electrifying sports environment and to motivate every person who uses these facilities
- I'll put forward the idea of having a **Hall of Fame dedicated to the Sports Legends** of the Institute and the INTER IIT contingent to inspire the sports community to higher levels of glory
- I'd propose **Honor Board installation in the New Sports Complex** that will serve in giving recognition to the record holders of our institute and Captains

Central Sports Facilities

- I'll ensure availability of rackets for badminton, squash, table tennis and non-marking shoes in the indoor sports complex. Students would be able to issue the equipment on submission of the institute ID- card.
- I will try to **push the pending proposal of extension of timings** of the sporting venues so that larger part of the student community can avail the facilities

GHT and GH1 – URJA

- Same proposal for GH matches has already been put up previously. I'd conduct **hall level matches amongst the girls in the GH premises** itself which would encourage more participation; an important step in increasing the involvement of girls in sports.

Sports Alumni Reunion

- IIT Kanpur will be hosting Inter-IIT sports meet in 2016 or 2017 (yet to be confirmed). Fund Raising is an urgent need for Sports Infrastructural Developments in the campus. **Sports Alumni Connect Team** in the council structure will be responsible to contact eminent sports alumnus.
- It will be ensured by the team that Sports Alumni meet is conducted every year to allow campus sports community to meet the legends of their time, make connections and enhance relationships

Workshops

- **Conduction of Archery and Golf workshops** will be ensured in both the semester.
- Gym facility is used by many campus residents to have a better physique. I'll propose for a **Bodybuilding & Posing Workshop** for the campus body building enthusiast. This will be great asset for those aspiring for **Mr Inter IIT**.
- I'll conduct **Roller Hockey Workshop** for all the skating enthusiast

Full time Gym Instructor

- I'd put forward a proposal for a gym instructor who'd be available all the time to assist gym enthusiasts with their workouts while ensuring proper handling of gym equipment to avoid any injury.

CLUBS AND HOBBY GROUPS

Adventure Club

I'll encourage the club to organize more leisure trips to increase participation from campus junta.

There has been major issue regarding the maintenance and safety with the old equipment. I'll propose to **renew old equipment under the Buy Back Scheme**. This will in a way replace the old equipment with the new ones in a limited budget.

Renting of equipment will be allowed.

Taekwondo Club

The club activities and tournaments will be publicized and will push for the conduction of district or state level tournaments. The club will be organizing workshop for other campus junta. **"Girls Taekwondo Week"** will be proposed for all those who wish to learn self-defence.

Chess Club

Lectures will be conducted for beginners. The players will be encouraged to participate in local tournaments and other college fests to keep themselves motivated.

Skating Club

I will press for more skates catering the increasing demand among the campus junta. I'll push for inclusion of **Roller Hockey as an event in Inter-IIT sports meet** on trial basis.

Shooting Club

Workshops will be organized frequently for the students to make the group activity. They will be promoted to participate in the District and State level shooting championship.

Boxing Hobby Group

Similar workshops as earlier will be continued but with increased frequency. If the response of junta is fantastic and I'll plan to transform it into a club under the sports council.

Card and Board Games

Hall level workshops shall be conducted and to increase the participation. Frequent conduction of club activities and general awareness for the same will be my main focus.

INTER-IIT

#3BaarLagataar

It was a great loss to our contingent this year as the 51st Inter-IIT Meet got cancelled. But we won't sit back and let our moral down. This year there has been a lot of confusion regarding hosting of Inter IIT by IITM and IITK. In such a situation it will be very important that the contingent's moral is kept high. This year the successful campaign "**#3BaarLagataar**" will continue with a higher tempo.

A wave of positive enthusiasm has to be boosted up for the entire contingent to achieving more wins in the upcoming future. I plan the following for the entire contingent:

- **Outdoor Trips** has been a key to success for the past two year. I plan to increase the budget for Inter IIT preparations and will promote more outdoor trips. I will ensure the enhancement of the preparation of the contingent by collaborating with **U.P State Association** and **Kanpur District Association** by facilitating match practice with experienced players
- **Summer Camp** is the most important phase for team building. I will ensure one hall stay and separate messing for the sports contingent at minimal cost for increase in intra as well as inter team bonding
- **Contingent bonding** is one of the key factors of winning. Thus, inter team matches shall be organized in third sport during the even semesters
- I will strive to raise the sport **scholarship** money given to notable sports personalities. Presently, it is Rs.4500/- p.a.
- The **new conditioning room** that is to be constructed above the new weightlifting hall (proposed). I'll make sure it is well equipped
- All the required facilities, equipment and medication will be provided on time

Cast your Ballot & let me serve You
