

MANIFESTO

SAIYAM SURANA

**Contesting for the post of
SENATOR UG Y14**

**Proposed by:
Kshitij Yadav (14332)**

**Seconded by:
Maitri Ruchita (14359)
Atul (14152)**

Vision

My vision is to be a representative of the junta of my batch so that I can put up their problems in senate meetings. I want to involve the views of students in the senate for betterment of campus. I foresee an environment where students see their opinions, wishes fulfilled and that they are provided with all the basic amenities at the institute level.

Mission

If elected as a senator, I will propose the following changes in my tenure:

1. I will propose the **common online portal** for project application under any professors or clubs. This will also enhance the student-professor interactions.
2. During festivals, we unfortunately lack a secure and women friendly environment due to footfalls of large number of outsiders. I'll propose a mandatory **Woman Security Head** should be included in all festival teams to keep a check on women security..
3. I will also propose **dynamic promotion** and **demotion** of hobby groups and clubs respectively by gauging performance in the previous terms.

Credentials

1. Mess and Canteen Secretary , Hall of Residence X (Aug'15-present)
2. Hospitality Secretary, Antaragani'15
3. Finance Executive, Udghosh'15
