General Security Measures

✓ GENERAL MEASURES :-

- Formation of security team as soon as possible and ensuring proper allocation of work among the team members
- A thorough overview of the campus will be done with my PSO team before working on security plans
- The Team will present a detailed security model before Head of Steering Committee and will take their suggestions
- Proper coordination with SIS team to make proper traffic arrangements.
- Fire extinguishers will be put at event venues

✓ GENERAL CODE OF CONDUCT :-

- **All participants must carry their college I-cards and hospitality booklet at all times during the festival and should produce the same on demand**
- **Participants are also required to carry their NOCs with them**
- **Any type of indiscipline during any time of the festival shall lead to strict disciplinary actions against the contingent concerned**

✓ CODE OF CONDUCT AT THE PLACE OF ACCOMODATION :-

- **No consumption, storage or carrying of any intoxicating substance or smoking inside the campus**
- **Boys are not allowed to enter any girls' accommodation. Girls are allowed to visit the boys' hostels from 6 : 00 AM to 00:00 hrs with confinement to central quadrangle and canteen**
- **Participants should not damage any hall property**
