DPGC Student Nominee, Department of
Civil Engineering

Shubham Gupta

M.Tech(EG)

Roll No: 13103058

E-mail: sggcet@iitk.ac.in

VISION

As the DPGC representative, my vision would be to serve as the link between the students and the department.

My aim is to improve our academic system and help ignite interests in students who are not able to get the necessary details of ongoing research and prospects of the department, as well making courses and course criteria more student-friendly. My ultimate goal is to bridge the gap between faculty and

students which will benefit both groups.

If elected my main focus will be towards the following issues...

- I will be an active body for departmental office work which will be related to monthly fellowship, any departmental seminar, and research opportunity in abroad and any kind of facility.
- If somehow the student is terminated by the department, or in cases of appeals against the termination, the Senate considers the opinions of both the SPGC and DPGC of that student. "Justice will be done"
- If there is any problem between the understanding of a research scholar and his supervisor regarding any issue, I will be an active body for this matter and hope that we will reach on a conclusion which will be in agreement for everyone.
- Problems related to semester leave or any academic extension.
- Issues related to TA or course allocation.
