

Green Poster Competition

Pool Event, Open-To-All

Points: 15

All pool captains need to submit a digital poster on the given theme to takneek2014@gmail.com by 28th August 2014 23:59 hrs.

Theme:

Futuristic Waste Management

The poster can include anything related to waste management of the future. It can even be a collage of different waste management techniques. It can be a concept which you envision. You are free to whack your brains and create any innovative solution for the future.

To know more about Waste Management refer to: http://en.wikipedia.org/wiki/Waste_management

Note: You can add captions on the poster. This poster is not futuristic, it is just about waste management and your theme is "Futuristic Waste Management" - emphasize on the futuristic part.

Rules:

Poster must be of A3 size. Direct copy of an image or poster from the internet is not allowed. If the plagiarism is caught, the pool will be disqualified. All image manipulation softwares are allowed. Entries must incorporate a brief explanation of the poster's content.

All 4 posters will be uploaded on the SnT Facebook page on 29th August. The poster must have 350 FB likes in order to be eligible for judging. The likes would be counted till 31st August 2014, 11:59 A.M.

The **judging criteria** will be as follows:

Concept behind the poster: 50%

Aesthetics (How good it looks): 30%

Explanation of the content: 20%

Bonus for Creativity: +15%
