

Nutcracker

Team Event, Open-To-All

Points: 20

One question will be uploaded every day on the four days of Takneek. The questions may be from physics, chemistry, biology or mathematics.

Rules-

- This is an individual **online** event.
- Entries must be submitted through the same email ID each time in case more than one solution is submitted.
- **The deadline for every question is 24 hours after it has been uploaded.**

Judging Criteria:

- The first correct answer that we receive will be considered for judging. Thereafter, only solutions different from the first solution (obviously for correct answer) will be considered.
- The same candidate may submit multiple solutions.
- The maximum points will be given to the best solution which will be decided by the coordinators.
- The total marks for every question is 5 and these will be divided into all the solutions we receive.
- Send your entries at seek.iitk@gmail.com with the subject – Nutcracker_PoolName_RollNo.
