

CASE STUDY

Pool Event

Points: 30

This is a case study event only for Y15 students.

The score of the best two teams from each pool will be added to calculate the score of the pool. Therefore, there is no limit on the number of teams from a single pool.

The problem statement will be mailed to the participating teams two hours before the presentation time.

The teams will then have to present their case study in front of a panel of judges.

The scoring will be done based on the structure of the presentation, methods, conclusions, practical viability and response to the questions raised.

Heavy negative marking for any kind of plagiarism. Please mention all the sources you have used.
