Due to unpredictable weather and the unavailability of the ACES cricket field it was felt that the conduction of cricket would not be possible and hence it was decided that cricket would not be a part of this inter-hall sports festival.

### Conduction of the events

Each pool will provided referees who officiated during the matches. The events were conducted based on the guidelines put down in the document of Inferno. There were no complaints received by the organizing team regarding the conduction of the festival.

### Recommendations

The festival's format was well received by all.

It is recommended that there be a little more gap between the Freshers and Inferno. For the same it would be best if appropriate planning is done well in advance during the summers.

PG League was introduced for the first time and it proved to be a great platform for the post-graduate students as well.
