

# **Constitutional Amendment regarding the Office of Students' Senate**

**Text of the proposed amendment:** It is proposed that under Chapter 1 of Appendix 1 of the Constitution, the following article be added as 1.12 (c)

1.12 (c) To assist the Convener in the discharge of his/her responsibilities, as mentioned above or otherwise, he/she may, through a call for nominations to the general body, nominate secretary(s) under the Office of Students' Senate, the number and responsibilities of whom may be ascertained by the Senate from time to time based on the recommendation of the Convener, Students' Senate.

**Statement of purpose and effect:** This amendment constitutionally accounts for the appointment of students at posts like Webmaster, Students' Senate and Secretary, Students' Senate – a step which has proved extremely fruitful for proper maintenance and efficient discharge of the work under the Office of the Students' Senate. As of now, there is no provision in the Constitution for the appointment of students at such posts, except by resolution.
