COSHA, Students' Senate, IIT Kanpur, 2014-15

- Issue of Stray Dogs in halls

A Sub- Committee was formed to look into probable solutions and give its recommendations.

- Water Facilities in halls.

- Current status of water facilities in all the halls was conveyed to ADHA.
- Water quality checks have been started.
- Maintenance checks have also been initiated.

- Washing Machines in Halls.

- Requirements were collected from each hall.
- After discussion, specifications of the machines were finalised
- Requirements along with specifications have been sent to ADHA.

- Discussion regarding lack of co-operation from CC and IWD authorities.

Issue was discussed in CoSHA and a letter was sent by the Chair to the concerned authorities.

- Discussion on funds for insect killers in halls.

As, insect killers were promised in the DCF, chair sent a reminder for the same.

Recommendations:

- To consider having a warning system to keep a check on low attendance.
- To consider 5 pool structure for General Championship 2015-16 keeping in mind the concerns of female students.
- To properly follow up the work started by the COSHA 2014-15.
- COSHA Webpage: To make it more popular and improve its functionality.
