## **DHRUV GOEL**

### **Junior Year Undergraduate**

Being a DUGC student representative I shall be a channel for student appeals as I have a good rapport with the students. I think I can build a decent network with professors to bring their attention to such appeals.

#### **MISSION**

- To modify B.S. template so as more economic courses are open for students interested.
- Reconstitute template structure to reduce the required number of credits of OE's, SO's and ESO's.
- To amend exchange policies in favour of economic students.
- Make sure departmental library is updated with new journals and reference books so that students are exposed to areas pertaining to their interests.
- Installation of proper AC, infrastructure in classrooms of Faculty Building.

#### **VISION**

- Students enrolling for courses matching their interests not their time-table schedule.
- Increased student opportunities for exchange programs.
- More students finding avenues to explore their research interests by doing different and new economic courses.
