Proposal

Reports of the Finance Committee

Current Situation:

The Convener, Finance Committee of a Gymkhana Year necessarily presents two reports in the Students' Senate: Mid-term Report of that Gymkhana Year, and End-term Report of that Gymkhana Year.

The mid-term report of a Gymkhana Year is presented by the Convener when all other mid-term reports of that Gymkhana Year are being presented in the Students' Senate

The end-term report of a Gymkhana Year is not presented by the Convener when all other end-term reports of that year are presented in the Students' Senate. Instead, the Convener is expected to present this report after all the expenses of that Gymkhana year are over and the final state of the funds is known.

Proposed Situation:

The Convener, Finance Committee of a Gymkhana Year shall necessarily present three reports in the Students' Senate: Final Report of the previous Gymkhana Year, Mid-term Report of the present Gymkhana Year, and End-term Report of the present Gymkhana Year.

The mid-term report of a Gymkhana Year shall be presented by the Convener when all other mid-term reports of that Gymkhana Year are being presented in the Students' Senate.

The end-term report of a Gymkhana Year shall be presented by the Convener when all other end-term reports of that Gymkhana Year are being presented in the Students' Senate.

The final report of a Gymkhana Year shall be presented by the Convener of the next Gymkhana Year after the final state of all the expenses of the Gymkhana year are over and the final state of the funds is known. This should be before the final meeting of the Students' Senate in the even semester.
