Overall Results:

1. Mughals and Marathas
2. Mauryans
3. Rajputs
4. Veeras

Recommendations:

1. Following things can be considered for academics this year:
 - Average CPI
 - Students getting Academic Excellence Awards
 - Students in AP/Warning
 - Students going for conferences (Foreign>Indian, in general)
 - No. of Publications (International> Indian, in general)
 - No. of students going for foreign research internships (funded>self-funded)
2. There is a need of clarity on the participation of Rajputs in the new Media and Cultural Event.
3. All the cells should accommodate their events with other GC competitions and in-general events. Following can be good areas to begin with:
CWC: Galaxy (Debating, Quiz, Street Plays) and Games & Sports Council (Marathon)
Entrepreneurship Cell: Takneek (Case-Study)
