52nd Inter IIT Sports Meet 2017

Unfortunately, Inter-IIT sports meet didn't turn out to be favourable for us as we lost the overall as well as Men's general championship trophy. We started off in style in InterIIT by emerging as Champions in Water Polo and obtaining overall Second position in Inter IIT Aquatics meet. Our weightlifting team broke a few records and emerged as overall champions as well.

In InterIIT main meet, we outplayed our opponents in Leagues and Pre-quarters as a result of which we had eight of our teams in the semis. But unfortunately, only one out of the eight teams made it to the finals. Almost all the semi-finals were close encounters and we just needed a few teams in the finals for the history to be repeated. We ended up second runner up in Men's and 5th in Girls

Here are the team that won medals in InterIIT'17
