## GALAXY 2014

(1<sup>st</sup> April – 6<sup>th</sup> April)

### Introduction

Galaxy 2014 was successfully conducted from 1<sup>st</sup> -6<sup>th</sup> April 2014. Significant features of Galaxy'14 and suggestions from this year's organizing team for next year's Galaxy have been covered in this post conduction report. General Championship's pool structure, as decided upon the senate floor, was followed in Galaxy'14 as well. Normal pool division pursued uniformly for all competitions was:

The Pool structure as decided on the senate floor is

- 1) Rajputs- Hall 2, GH1, Hall 4
  - 2) Mauryans- Hall 3, Hall 7, SBRA
  - 3) Mughals- Hall 5, GH-Tower, GH2, Hall 11
  - 4) Marathas- Hall 10, Hall 8, VH Extension
- Parent Halls: Hall 1 + Hall 9

Supporting the core team in this endeavor were the Club Coordinators of the Cultural Council whose sincere efforts ensured smooth and timely conduction of events. Others involved, apart from those mentioned above, worked hard to present free, fair and highly competitive events.

### Point Structure

Structure proposed in the pre-conduction report (100%, 60%, 30% and 10%) was followed for all the events. Overall sum of scores of all teams/submissions from a pool was taken into consideration to decide the four positions, unless anything otherwise was specified in the pre-conduction report or decided by the judges. In case there was no entry from any pool zero was awarded to that particular pool. No changes were made in the individual point division (as was proposed in pre-conduction report) of any event during Galaxy. In some submissions penalty was imposed as decided in the pre conduction report or agreed in consensus with the pool captains. Penalty of 5 points was rewarded in case of late submission of names of structure and penalty of 2 points in case of late submission in HSS event.

### Judging

All the judges were informed regarding the proposed criteria prior to the event; however the final distribution was left to them. Levying of penalty, in case of violations of rules, was left to the judges. Before commencement of Galaxy, pool captains were informed about events having student judges/moderators. Replacement of non-student judges/moderators by student judges/moderators due to unforeseeable circumstances was conveyed to the pool captains.

## GALAXY 2014

(1<sup>st</sup> April – 6<sup>th</sup> April)

### Suggestions and Recommendations

- Organizing Galaxy a week after mid-semester examination is the most apt as it provides balance between practice time and academic commitments for participants. Putting up Galaxy this time from 1<sup>st</sup> to 6<sup>th</sup> March was not a good decision. It saw a lot of loss in participation. Also there was no audience to witness the performances of the students who worked a lot.
- Holding Nukkad in front of Hall 1 is a very good idea as it attracts a lot of audience.
- Judges' panel should be at least two in number and try to involve as many faculty members as possible to improve interaction. Avoiding delays in events will make it easier to draw faculty members as judges.
