Point Structure

For any competition held in Galaxy'16, the points were awarded finally to the pool. Every competition had got some specified maximum points, and the points were awarded as follows:

- 1st Place: 100% of the maximum points
 - 2nd Place: 60% of the maximum points
 - 3rd Place: 30% of the maximum points
 - 4th Place: 10% of the maximum points
- In events, where only three pools participated in an event, that the points for 4th position ceased to exist in that particular event.
 - In case of a tie, say two 1st positions were awarded, then there was no second position and points of first position was the mean of first and second positions.

Recommendations

Galaxy should be conducted in 5 days as 4 day events and one day dedicated to parade for which the number of events should be cut down which will also help in increasing the quality of participation as well as reduce the load that the HEC feels because of GALAXY, however, such a reduction is not possible in one year span hence I recommend that next year GALAXY should be conducted in 6 days rather than 7 and then following years it should be done in 5 days as 4 days events and 1 day parade
