Gymkhana Grant Allocation to Festivals

Proposed by: Shyamsunder Sihotia, Finance Convener

This semester, we have a total of 6,564 registered students in our campus who all were charged ₹150 towards gymkhana festivals. This amount sums up to ₹9,84,600, which is to be distributed among the festivals of gymkhana. The Finance committee has decided following distribution of the grant among each of the festivals.

1. Techkriti '17: ₹3,00,000
2. Antaragni '16: ₹3,00,000
3. Udghosh '16/17: ₹3,84,600

Although Udghosh '16 will not be conducted this year. According to the accepted recommendation by the Festival Coordinator, Udghosh '15, it was decided to allocate funds to Udghosh which shall be used by the team of Udghosh'17 in order to reboot their festival.

Following in the footsteps of Techkriti '16, Team Udghosh have also agreed to donate ₹2,00,000 towards deficit of Antaragni '16. The finance committee appreciates this gesture as it truly marks our festivals as Gymkhana festivals.
