Announcements and Remarks

President, Student Gymkhana invited everyone present in the closing ceremony of Golden Jubilee and Gymkhana Day.

To consider the proposal of changing the route of institute buses to provide the bus facility to Hall 7,8,9,10.

Mr. Srinivas proposed that the routes of the institute buses be changed to include Hall 7,8,9,10 in their routes. For this he demanded that the road connecting Hall 4 and Hall 7 be widened. An alternative solution was given by Mr. Navin Lalwani that instead of widening the road the route should be around the hockey field from in front of New Sac. This proposal was accepted in the COSHA.

Discussion on Hall Allocation Policy

The President, Student Gymkhana proposed Hall Allocation Policy. Some of the salient features of the HAP were The incoming Phd's will go to Hall 11 for the establishment of the hall.

- The UG y13 will have to live in congested rooms.
- 44 Y12 MBA students accepted to move to Hall 8.
- Since GH2 has to be evacuated till October, girls from GH2 will move to GH1 in the order of seniority and the rest will move to GH towers.

There were some concerns raised by the Hall representatives. They were as follows.

- Hall 7 demanded more Phd's in their Hall rather than more Mtech's.
- Hall 4 also demanded Phd's in their Hall.
