

PGSAC, End Term Report

Convenor, PGSAC: Vivek B.

Chair, PGSAC: Srinivasan V.

Senate Nominees: Syed Moiz Ali, Mohammad Mahmood

The PGSAC held only one meeting on 29th September, 2014 to discuss upon the report submitted by the committee which was constituted to formulate the student feedback regarding the new Academic System to be implemented for the future incoming batches as per the new PG-ARC recommendations. The following main issues were under discussion.

1) Discussion on the feedback from Students' Senate on ARC Report for PhD Program.

The committee mainly discussed on the proposed new credit system, compulsory summer registration, compulsory communication skill course and constitution of Doctoral Committee. The members also opined on the suggestion for the requirement of Audit grades for PhD students.

2) Discussion on the feedback from Students' Senate on ARC Report for MTech Program.

The committee discussed on the proposed additional M-Tech programs, APEC rules, new credit system, compulsory summer registration.

Finally PGSAC recommended that the report be revised based on the input from the meeting and sent for ratification from the senate. The DPGC student nominees were informed that these aforementioned new changes will be coming to the DPGCs soon for discussion.

Recommendations:

- When the elections for the DPGC students representative happen, it is highly important to inform the candidates that they will also be the part of the PGSAC, a standing council of the student senate. They should be well informed of the importance of being in such a council.
