## Introduction

Spectrum'15, the inter-pool Films and Media championship is scheduled from 8<sup>th</sup> of October to 11<sup>th</sup> of October, 2015. In the recent past, the competition was planned to be conducted in 2 phases. However, this time it is scheduled to be conducted only in one phase.

Events, point structures, rules and regulations, etc. were decided after the meeting with pool representatives and event organizers.

The Pool structure as decided is:

- **Rajputs:** Hall 2 and Hall 8 (except I-block)
- **Maurians:** Hall 3 and Hall 7
- **Mughals:** Hall 5 and Hall 4
- **Marathas:** Hall 10 and Hall 11
- **Veeras:** Hall 6, Hall 8 (I-block) and GH1

Furthermore, UG Y12 and earlier students in any hall/pool will be considered as part of parent pool (i.e. **they can participate openly from any pool**).

Note: During an event/competition, the members of parent pool cannot change their pool and will be participating from the same pool through out.

## Organizing Team

The organizing team will consist of:

1. Prateek Mishra (General Secretary, Films and Media Council)
2. Nandha Kumar (Head, Films and Media Council)
3. Gaurav Sethiya (Overall Coordinator)
4. Aditya Shankar (Overall Coordinator)
5. Amol Bansal (Senior Executive, Films and Media Council)

## Point Structure

All the points will be awarded finally to the pool. There are two kinds of events:

1. Pool Events- Only the pools will win the competitions and the points will be awarded to them accordingly
2. Individual Events- Individuals can win the competitions and it may be the case that all the winning entries (1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> positions) belong to the same pool. The points will be awarded the pools accordingly

Every competition has got some maximum points and the criterion for award of points to different positions is as follows:

If all **5 pools** participate in any event-

1<sup>st</sup> Place: 100% of the maximum points

2<sup>nd</sup> Place: 50% of the maximum points

3<sup>rd</sup> Place: 30% of the maximum points

4<sup>th</sup> Place: 15% of the maximum points

5<sup>th</sup> Place: 5% of the maximum points

If only **4 pools** participate (Excluding Veeras):

1<sup>st</sup> Place: 100% of the maximum points

2<sup>nd</sup> Place: 60% of the maximum points

3<sup>rd</sup> Place: 30% of the maximum points

4<sup>th</sup> Place: 10% of the maximum points

### **Policy of 'Pool' Event and 'Team' Event**

Spectrum is a competition between 4 pools, hence the final points shall be awarded to the pool in all the competitions.

In the events which are specified as 'pool' events, each pool will be awarded a position and not the individual teams (if there is more than one team per pool).

For the 'team' events, individual teams (or individuals) will be awarded positions, and a single pool can occupy more than one position in that event. Cumulative final points will then be awarded to the pools.

Also, based on a certain minimum eligibility criteria (depending on the judge's discretion), it may so happen that a particular pool/team gets no points in a particular event. For example, if in a certain event, only 2 teams are performing up to a satisfactory level, and the remaining teams are not meeting the minimum eligibility criteria, only the first and second positions will be awarded, and there would be no third/fourth position.

### **Policy of 'Freshers' Event, 'Seniors' Event and -to-all' Event**

In certain events, which are marked as Freshers' events, only first-year students (both PG and UG) are eligible to participate.

In 'seniors' Event, only non-freshers are eligible to participate.

In 'Open-to-all' Events, anyone can participate, except for certain events which have a cap on the number of participants from a particular batch in the team, as clearly mentioned in the rules and regulations of that event.

This batch restriction is to ensure healthy competition and to provide a proper learning platform to the participants.

- An event may be scrapped at any point in time before the closing ceremony, if:
  - If any Spectrum captain launches a complaint against a particular event and proves that there has been improper judging of the event. By proving, it is meant that
    - Either the manner in which the event has been judged is significantly different
    - From the judging criteria mentioned in the detailed Rules and
    - Regulations of the event (website). However, if professors / professional are judging an event, their discretion will be valid and respected
  - Or there has been tampering with the Score-sheet or the Result
  - Declaration Form after the event has been completed
  - Or the rules/judging criteria has been modified without consulting the Spectrum Captains
  - If the event cannot be conducted due to unforeseen circumstances
  - If the Spectrum Organising team or the GRC feels that the event conduction was improper/involved biasness
  - In extreme cases, the decision of the GRC will be final
- Minor changes in judging criteria may be done later, but only if all the Spectrum Pool captains agree (by consensus, not majority)
- Deadlines might change with the consent of all the Spectrum captains
