Many students have approached me regarding problem of shopc being at a distance from Lecture hall complex. Also, Shopc opens at about 10 AM and classes start at 8:00 AM. Also Shopc is closed on Sunday.

Proposal- Proposal is simple, to have a stationaly shop near lecture hall complex which opens at about 7:30 AM. And may close at about 8:00 PM in the evening. Also it could open on Sunday and may close
