INTER IIT CONTINGENT

Dussehra Camp

Dussehra vacations are one of the most crucial times for team practices. We will conduct a regular morning and evening practice session for the teams. For the students who are regular and sincere in the camp 1000 rupees as Mess Allowance will be awarded with the consultation with Coaches and Captains.

Teachers' day celebration

Coaches will be felicitated on the occasion of teacher's day in the presence of entire contingent and all the captains will share few words about their coaches.

Common kit and a t-shirt for entire contingent

A common kit and a T-shirt will be designed for Inter IIT to entire contingent to bring a sense of unity.

Player of the month

To recognize and encourage the budding talent from each team Posters having pictures of "player of the month" from all teams will be displayed in every hall and publicized through council Facebook page.

Sports Star

With an initiative to motivate and inspire the contingent and to acknowledge the remarkable contribution of Athletes, Sports star series will be continued. Posters of the Athletes, from every Inter IIT team, containing the credentials and their contribution to the IITK sports will be designed and publicized through council page .

Star Performer of the year:

The norms and procedures prescribed for the short listing of candidates for the Sports Awards have been inducted several years ago. The magnitude and nature of the Inter IIT Sports Meet and other Inter Collegiate Sports tournaments has transformed greatly over these years, especially over the course of the last decade. Students from the non-graduating batch, even after their tremendous effort towards the General Championship of their team in Inter IIT, are not given that level of recognition which they truly deserve. In this regard we have already submitted a proposal to take a step in recognising and thus appreciating such personalities from this Inter IIT onwards. Since the Inter IIT did not happen last year, we will recommend the following for “Star Performer of The Year Award” applicable from the year 2016-17.

Nutrition Drive

The entire contingent will be served with fresh juices daily after practice from the month of October for main meet and September for the aquatics meet preparation.

Home ground Practice Matches

Knowing the fact that we will be hosting Inter IIT this year I plan to increase the budget for Inter IIT preparations and will promote home ground practice matches.

-----Thank You-----
