

## Students' Senate (2016-17) Indian Institute of Technology Kanpur

### **To consider the proposal to scrap Melange (based on the recommendations of the Pools and the Overall Coordinators)**

All the pool representatives and the coordinators of Community Welfare Cell and E-Cell were present in the meeting held to discuss the proposal to scrap Melange. The following points were agreed to in today's meeting:

- 1) The scrapping of Melange for this year was unanimously agreed to by the committee. The points of Melange are to be equally distributed amongst the other 4 GC events.
- 2) For the next year, the committee felt that we should come up with a better model for Melange's events. This should be taken up before the next General Championship's pre-conduction report, in consultation with all the pools and the organizers.
- 3) In the event of a tie in this year's GC, the committee agreed that the matter could be discussed later and that the possibility of such a scenario does not change the unanimous decision of the committee to not conduct Melange this year.
