

## To repeal the decision of the Senate to cease Gymkhana funding to pools for GC Events

-Amit Ranjan, Senator BT/BS

Y14

Students' Senate in its meeting decided not to give funds to pools for participation in GC events. The reasons stated were

- a. That the GC events are voluntary.
- b. Pools have been using funds from their respective HDF for GC events.
- c. Extravagant expenditure of pools for GC events.

This proposal is to reconsider the decision for the following reasons:

- a. Pools did not use their HDF.
- b. Though the expenditure increased on GC events, so did the savings of the hall which were earlier used for GC events.
- c. Gymkhana TDR can be utilised

Therefore I request you to reconsider this decision taken by senate.
