**Subject: Show Cause Notice to explain mismanagement during UG Freshers'  
Orientation**

Dear All,

The UG Freshers' Orientation has historically had presentations by all constituents of the Students' Gymkhana. This is done to provide exposure to the different aspects of students life that are present on the campus and to ensure that they can make informed choices when planning the activities that they will pursue.

This year, due to mismanagement of time slots, the Science and Technology Council was not given an opportunity to explain the work that they do to the freshers. This not only harmed the council but also robbed the freshers. This flaw in the orientation programme demands an explanation to the satisfaction of the Students' Senate.

Please be present at the next meeting of the Students' Senate, to be held on 12<sup>th</sup> August, 2018.

Yours Truly,

Sd/-
