A notable feature of this year's Inferno was the participation of a girl participant in Table Tennis. **Vibhuti**, the only female participant in this year's Inferno showed a

lot of courage and displayed the same on the court making up to the quarter finals of the event, losing by a margin only.

Team Inferno really appreciates her involvement & encourages other girls to participate actively in Campus's Sports Activities.

### **Recommendations-**

One of the problems faced by hall sport secretaries was in coming up with their best teams, since most of them didn't get sufficient time to personally look at the players. For this, grounds and courts can be booked for a longer duration before the start of Inferno so that secretaries can personally take the trials along with the senior team members.

Medical facilities in Contact sports should be given more emphasis, however no major or minor injury happened during Inferno'13, but the possibility of it can never be ignored.
